PLEASE JOIN US AT THE 2010 MOC!

The Michigan Food and Farm Alliance (MOFFA) will sponsor the Michigan Organic Conference on March 5 and 6 at the Kellogg Convention and Hotel Center located on the Michigan State University Campus in East Lansing MI.

Jeffrey Smith of the Institute for Responsible Technology will present a Friday evening Keynote address titled "Don't Put That in Your Mouth: The Health Dangers of the Genetically Modified Foods You're Eating" and a Saturday morning address titled "Arming the Choir:

How We Can Kick Out GMOs (REALLY!)". Longtime organic activist and organic seed provider C.R. Lawn of Fedco seeds will present a Saturday Afternoon Keynote titled "Growing Habitat: Embracing Biodiversity". This year's conference will include educational sessions, gourmet luncheon, displays, film festival, childcare and much more!
